FUTB VC Champions Green Initiative for Youth Empowerment

- As Tree Planting Initiative Takes Root at FUTB

The Sustainable Technology Development Foundation (STDF), in collaboration with the Arbor Day Foundation and ACRESAL, has launched a ground breaking project to plant and nurture 20,000 economic trees at the Federal University of Technology Babura, Jigawa State.

The program which was held on May 2, 2025, at the School of Engineering, aims at promoting sustainability and environmental conservation. This collaborative effort underscores the importance of tree planting in fostering a greener future.

The Vice Chancellor of the Federal University of Technology Babura, Prof. Sabo Ibrahim Brinin Kudu, emphasized the importance of the tree planting project in

empowering youth and students. Speaking at the event, he highlighted the project's potential to create job opportunities and boost food production.

Prof. Birnin Kudu encouraged students to enrol in the Green Pack project, noting that it would not only build their future but also help combat unemployment in Nigeria. With a minimal fee, the project offers a promising avenue for students to develop their skills and contribute to the nation's economic growth.

The Team lead of Sustainable Technology Development Foundation, Sani Yusuf Adamu, revealed that the FUTB Green Park project is a sustainable initiative aimed at creating a lasting impact. Speaking at the project's launching, Adamu emphasized that the project was designed to empower students and the community, while also generating jobs.

Adamu noted that the project is a testament to the organization's passion for extending its reach and making a positive difference in the universe. With its launch at FUTB, the Green Park project is poised to make a significant impact in Babura town and beyond.

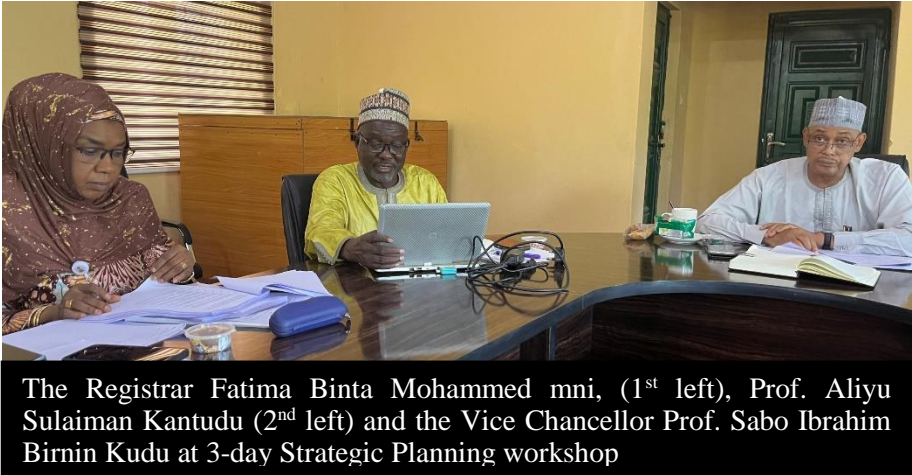

The Federal University of Technology Babura is poised to make a significant impact in the fight against hunger and poverty through its sustainability initiatives. According to a recent statement, the university's efforts are a collective push towards achieving favorable climate conditions and promoting sustainability.

The Registrar Fatima Binta Mohammed *mni*, urged students to register and participate in the initiative, emphasizing that collective action will drive meaningful change. By working together, FUTB aims to create a lasting impact on sustainability and improve the lives of individuals in the community.

FUTB Management Holds 3-Day Strategic Planning Workshop

The Management of Federal University of Technology Babura has convened a 3-day strategic planning workshop from June 27 to June 29, 2025, at the Vice Chancellor's Committee Room.

The workshop focused on the strategic plan of the University and reviewing, correcting, and updating the FUTB Scheme of Service and Conditions of Service. In his keynote remarks, Vice Chancellor Prof. Sabo Ibrahim

Birnin Kudu emphasized the importance of having a strategic plan that spans at least five years.

Prof. Birnin Kudu highlighted that a strategic plan provides deliberate guidance in decision-making, it enables on institution to operate effectively, and ensures compliance with regulations. He noted that strategic planning focuses on the future, allowing institutions to reflect on performance and identify areas for positive change.

Prof. Aliyu Sulaiman Kantudu from Bayero University Kano (BUK) was invited as a resource person to provide professional guidance on strategic planning at the FUTB workshop. He presented a paper titled "How to Develop a Strategic Plan," emphasizing that a strategic plan serves as a roadmap for a university's future.

Prof. Kantudu highlighted the main reasons for developing a strategic plan, ensuring relevance, sustainability, and excellence in teaching, research, and community engagement. He also reviewed FUTB's strategic plan draft, identifying areas for refinement.

The Registrar, Fatima Binta Mohammed *min*, presented on the Scheme and Conditions of Service, leading to a thorough review, correction, and update. Thereafter, the Deputy Vice Chancellor Prof. Bala Side Aliyu presented a draft copy of the Annual Report, along with updates on departmental submissions for 2023 and 2024.

The workshop brought together members of the University Management Committee (UMC), comprising Deans, Directors, Unit Heads of Procurement, and Audit.
